

ACCOMMODATION

SITE ACCOMMODATION

We will be staying at Avon Tyrell activity centre in the New Forest. Avon Tyrell is set in 50 acres of beautiful grounds, with its own woodland and lakes.

Accommodation for the weekend will be in wooden cabins. The cabins have a mixture of smaller twin rooms and larger rooms with bunks beds.

Each cabin has its own open plan lounge with television, a dining area, a kitchen area and two bathrooms.

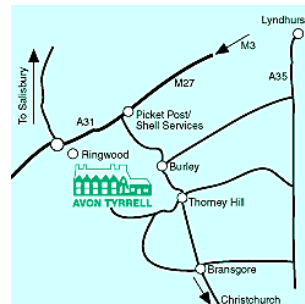

CATERING ARRANGEMENTS

The accommodation on site is self-catering. Our plan is to work out a menu and ask everyone to bring food along. We can share the cooking and clearing away!

LOCATION AND DIRECTIONS

Avon Tyrell is near the village of Bransgore in the New Forest. (BH23 8EE)

From the A35 (northbound) take the sign posted for Holmsley caravan/camping park and Godwinscroft. Take the first right towards the Holmsley park. At Thorney Hill crossroads, go straight over, and follow the signs for Avon Tyrell (just over a mile from here).

3rd to 5th November 2006

ABOUT THE WEEKEND

WHAT IT'S ALL ABOUT

.....time to worship and seek God together.....time to pray for ourselves, each other, the church and the country...time to relax and be refreshed...

We hope the weekend will give us extended time to seek God, and for His Kingdom to come, 'doing the stuff' that Kingdom Seekers is about...

PROGRAMME

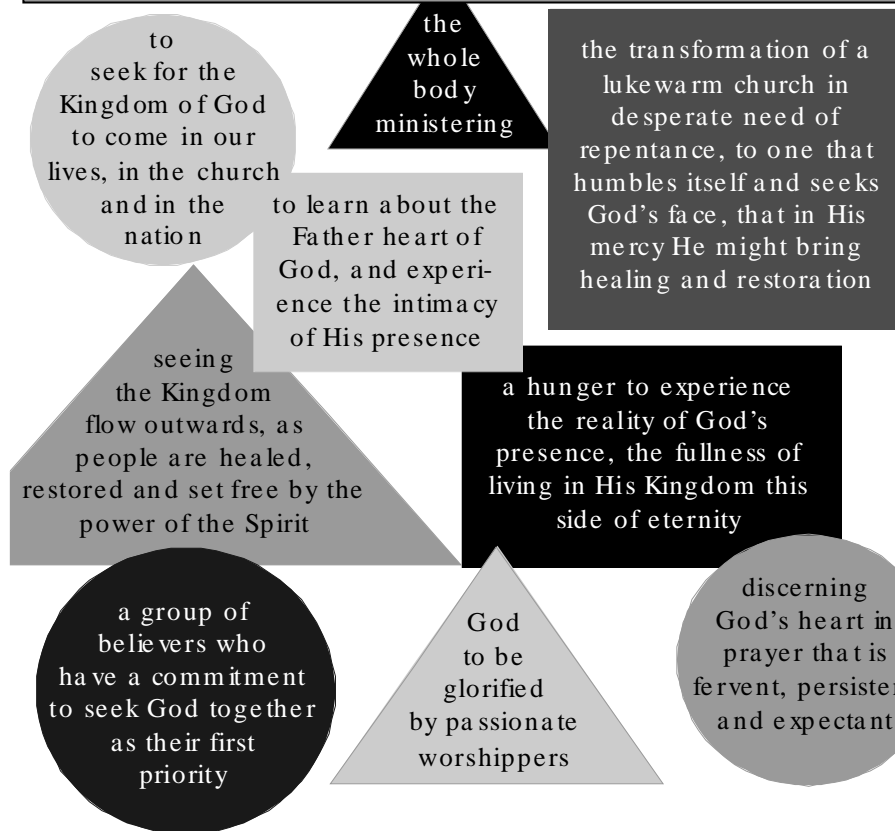

We are hoping to have 2 or 3 'sessions' where we worship, pray, seek God and share together, with the remaining time to relax.

CHILDREN

We may be able to arrange supervision for young children during some of the 'sessions'. If this is not possible, parents may need to take turns supervising children during this time.
